

19th Annual Business Expo & Job Fair

South Alabama Regional Planning Commission

May 11, 2017

The South Alabama Regional Planning Commission's 19th Annual Business Expo & Job Fair will take place at The Grounds (Greater Gulf State Fairgrounds) on Thursday, May 11, 2017, from 9:00 a.m. – 2:00 p.m.

The Annual Business Expo & Job Fair promotes the economy of our region by providing a venue to facilitate interaction between those seeking employment and companies and organizations seeking employees. The event also provides companies an opportunity to network with community leaders, while marketing products and services. The Business Expo & Job Fair is an excellent outlet to showcase what our region has to offer.

Employers seeking workers will have the opportunity to meet with hundreds of applicants. Those seeking jobs can apply for the available positions and learn about training opportunities. Last year's event drew ninety five companies and over 2,500 job seekers from five states.

This event has grown to be the largest comprehensive Job Fair in the region.

To reserve your booth today complete the 2017 Contract/Registration form and fax to (251) 433-0148 or email to sralej@sarpc.org.
