The Addendum must be returned along with the bid documents.*

## **ADDENDUM – 2**

Questions that were addressed at the Mandatory Bid Conference Meeting.

The following questions were asked by bidders attending:

- Do you have a floor plan showing what offices are currently using the phone system?
  - No, we do not have a floor plan that indicates which offices will need to be set up, however we are happy to provide a tour. Please schedule the tour with Martin Lee. He can be reached at [mlee@sarpc.org](mailto:mlee@sarpc.org) or by calling 251-706-4657.
- What providers are you currently using?
  - Currently, the only providers we are using are C-Spire for office and fax lines and AT&T for cellular devices.
- How many lines will be traditional fax and how many will be e-fax?
  - At this time we are requesting that 2 lines be e-fax and 2 lines be traditional fax, however we would like to reserve the right to upgrade the 2 traditional lines at a later date if the need arises.

**This page must be included with the RFB Document when returned.**

This completes information for changes relating to ADDENDUM – 1
