To Whom It May Concern:

Effective March 31, 2019, Ferguson Enterprises, inc. became Ferguson Enterprises, LLC (Ferguson). As a result of the name change, we would like to provide you with the most recent W-9 Form attached for your records.

This change for income tax purposes requires the corporate income tax from the LLC to be reported under the parent company, now Ferguson US Holdings Inc (FUSI). As a result of this change all federal documents, like W-9's and 1099s etc., are required to follow this rule and therefore, will show the parent company. At the time of the entity conversion Wolseley Investments Inc (WII) was Ferguson's parent company. Because of this federal W-9 requirement it was determined that we should also change the parent company name to Ferguson US Holdings Inc. for consistency when providing W-9's to vendors. Effective May 2019, we changed the name of WII to Ferguson US Holdings.

Contracts and exemption certificates may still be under Ferguson Enterprises LLC since that is the company doing the business, however we are unable to provide a W-9 that shows Ferguson as the company on line 1 with the corresponding EIN. We can provide other backup from the IRS identifying Ferguson Enterprises LLC and its corresponding EIN of 54-1211771. Please find attached a copy of the IRS confirmation letter for Ferguson Enterprises LLC and its EIN. In addition, the W-9 does provide a section for disregarded entities & DBA's on line 2 which we have entered Ferguson Enterprises LLC to show the relationship.

If you have any questions, please feel free to contact me at jennifer.pabon@ferguson.com or 757-223-6893.
